

Our members are at the heart of what we do.

Every £1 raised goes
towards providing
treatment and support
to people with MS, their
families and carers.

" Thanks to the fantastic
physiotherapy I managed to stand
at my daughter's wedding without
my walking aids. A year ago that
just wouldn't have been possible,
so you'll never know how much
this means to me. Thanks for
being a lifeline to me and so
many others. "

Sue, Dunstable

" To be honest I don't know
how I'd be today if it
wasn't for the Centre. The
psychological support for
MS is at least as important
as the physiotherapy. "

Peter, Tring

" I really enjoyed the experience
of exercising in water. I am
usually confined to my home
and the opportunity to use the
hydrotherapy pool was a
great experience, thank you. "

Adam, Radlett

What being part of the Chilterns MS Centre family means

At the Chilterns MS Centre, we believe that local people living with multiple sclerosis (MS) deserve to lead healthier and happier lives. We help them achieve this by empowering them to manage their symptoms through long-term physical, practical and emotional support, for both themselves and their families. Approximately 100,000 people in the UK have MS, that's 1 in every 600, with 5000 newly diagnosed each year. In Buckinghamshire alone there are 1200 with the condition. By becoming a Corporate Friend, you will help us to support as many of these people as possible.

Our Corporate Friends scheme helps local companies to really engage with our shared community:

- network with other local businesses and potential new customers to increase sales and profitability
- promote your brand and enhance your reputation locally
- deliver your corporate social responsibility (CSR) objectives whilst inspiring and motivating your employees, customers and consumers
- channel your charitable giving in a strategic, effective and sustainable way
- access our exciting events and volunteering programme, ideal for team building

All of these benefits will help your business to secure an advantage over your competitors within the local community

"At Ashridge Group we are a local family-owned business that values its people and community. Having seen first-hand the difference that the Chilterns MS Centre makes to the lives of so many people, we decided to join the Corporate Friends Scheme as Platinum members. The Centre offers such an amazing environment for people with MS, and you only need to sit in the foyer for a minute or two to experience the tremendous positive impact it has on their lives."

Mark & Emma Walker,
Ashridge Group.
